

Pupil Premium Grant Strategy 2017-18

Principles

- Teaching and learning opportunities meet the needs of all of the students
- Appropriate provision is made for students who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged students are adequately assessed and addressed
- Provision for socially disadvantaged students, we recognise that not all students who receive free school meals (FSM) will be socially disadvantaged
- We also recognise that not all students who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any student or groups of students the school has legitimately identified as being socially disadvantaged.
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals.

Provision

The range of provision include:

- Providing small group work with an experienced teacher focussed on overcoming gaps in learning
- 1-1 support Reading & writing
- Additional teaching and learning opportunities provided through trained TAs
- All our work through the pupil premium will be aimed at accelerating reading ages
- Pupil premium resources may also be used to target able children on FSM to achieve above average attainment at the end of both key stages
