Dear Parent/Carer

Year 6 SAT's Parents Workshop – Tuesday 6th February 2018

As you are aware, all Year 6 children will be sitting their SAT's test in May 2018 and we all want your child to achieve the best possible results for their exams.

We understand that children very often find this a very stressful time. So to help your child achieve their best, maintain a positive frame of mind and fully concentrate during this time, it would be really helpful if you could ensure that they go to bed early and eat a healthy breakfast every morning. It is important that your child feels ready and prepared for their SAT's and they are not stressed out. If they express to you that they are feeling stressed, please come and speak to myself or Mrs Milton or Mr Collins so that we can discuss some coping strategies that your child can use to help them feel calmer and fully prepared.

I am pleased to inform you will be holding a Parents workshop for all Parent/Carer of Year 6 pupils for those who wish to further support their child. If this session is not suitable the Year 6 Teachers would be happy to meet with you after school to discuss the SAT testing procedure with you.

Finally, I want to wish all of the Year 6 pupils the best of luck for their SAT's test this year.

Yours sincerely

Mrs A Collins
Head of Primary
