Dear Parent/Carer

I am pleased to inform you that extra-curricular sport clubs will commence week beginning Monday 16th April. This a wonderful way of helping your child to maintain a healthy, happy, active lifestyle.

Unfortunately due to limited availability, allocation will be on a first come for served basis, however we will do our utmost to make sure that each child who wants to, is allocated at least one club per week. Breakfast Club and Girls Leicester City Ladies Football will continue as normal when clubs resume on Monday 16th April.

Please tick the relevant boxes and fill in the form attached returning no later than Wednesday 21st March if you would like your child to be part of this exciting opportunity. **We will get back to you as soon as possible with confirmation of which club/s your child has been allocated.** Your child will not automatically be put onto the same club that they have previously attended as we are trying to provide opportunities to as many pupils as possible.

Please note that clubs finish at 4.15pm, anyone collecting their children after 4.20pm will be considered a late pick-up. Repeated late pick-ups may result in your child being asked not to attend clubs.

Please note these clubs are available up to May half term only; a new set of clubs will then be organised for the remainder of the summer term.

Thank you for your on-going support
