

Tudor Grange Samworth Academy

## Year 10 Graphics Summer Holiday Homework

You are required to create a personal response to the 'Suspended' installation you saw at the Leicester Cathedral. You can either: choose one thing in particular that spoke to you/ moved you/ made you think or think about the installation as a whole. You can respond in any form you see fit, and use any media you want to.

This will be due in the first lesson back after the holidays.

- Miss Robinson
