

Tudor Grange Samworth Academy

A Church of England School

Dear Parent/Guardian

PE kit letter

I am delighted to report that we have had a really successful year in Physical Education. I hope that your child enjoyed the recent sports day in which I am really proud of the fact that every student in the secondary school participated. You may wish to look at some of the professional photographs on our academy website which shows some action shots from the day.

We have had other notable successes in PE this year. Twelve TGSA students qualified through the District athletics to compete in the county championships. Pharell Tuit (Year 9, has now qualified to compete at English Schools athletics championships in Birmingham on July 14th. The Year 7 football team reached the district cup final, narrowly losing on penalties. There has been many more success stories. Next year we want to build on our success and have more school teams competing in the district tournaments.

My aim is continue providing high quality experiences for our students. In line with academy policy we have high expectations of student appearance. The PE kit is compulsory and all students are expected to wear the correct PE kit for lessons. In order to avoid difficulties at the beginning of the new term can you please ensure that your child has the correct PE kit for the start of the 2018/2019 school year? The PE kit expectations are outlined below:

We strongly recommend that you write your child's name inside the PE kit to reduce the chances of it being lost while they are changing. If you experience any difficulties in providing the correct PE kit for your child, please contact us at the academy. Thank you for your continued support.

Yours Sincerely
