Head's News

I hope you all had a restful Easter break and welcome to our summer term! We have all had the chance to adapt to new ways of working, so I wanted to take the opportunity to say what an amazing job you're doing supporting your child's wellbeing and learning during this time. It has definitely been a strange and challenging time, so it is okay if you and your child feel wobbly and worried at the moment.

Home Learning

We miss the children very much, but we must follow the government's guidance to keep everyone in our community safe. We will continue to upload learning activities each week and we are more than happy to provide additional activities to any families who would like more support. All of this will be through **Class Dojo**.

We also love seeing the children's fantastic learning at home – please keep sending their work in by taking a picture and sending via email, or via Twitter.

Safeguarding

If you have any safeguarding concerns during this period or need to update the Designated Safeguarding Leaders about changes that are impacting on your child's well-being, please contact the school office on 0116 2780232. Please take your time to read the advice from the Government about 'Looking After Your Feelings and Your Body'.

Currently, we do not know when or what the procedures will be in order to safely open the school fully, but we will continue to provide learning opportunities, support and keep our school community connected. School is open each day (8.30am-3pm) to key worker families and to our vulnerable children so if your situation has changed following the Easter break please contact us to make arrangements for your child to be in school.

Resources

If you require any additional resources during this time e.g. paper, writing/colouring pencils, rulers, rubbers etc. please contact the school office on 0116 2780232.

Free School Meals

If your circumstances have changed and you think you may now be eligible for free school meals, you just need to complete an application on the link below. If you have any questions or need any help, we are here to help.

@TGSAPrimary for regular updates

Please remember you are loving your children and supporting them through a difficult and confusing time, and if we can help in any way, please don't hesitate to contact us. Thank you for your ongoing support.

To the wonderful children at TGSA:
