- Has spare time and the energy for the role
- Is able to work well as part of a team
- Has an enquiring mind and the confidence to ask questions and debate issues that affect the school
- Can consider matters objectively and make informed judgements.

These volunteer positions are open to parents/guardians or other people from our community.

What is the role of the governing body?

- Helping to support the school with community issues
- Attend behaviour meeting with parents
- Have an active role in engaging with parents, staff and pupils of the school.

What does the role offer?

- A chance to develop your own personal skills
- Access to a programme of free training in respect of education/governance matters
- A sense of achievement in helping make a difference to children reaching their potential
- The support and guidance from fellow governors

In looking to fill these vacancies we are particularly interested in applications from people with education experience and also people who can occasionally visit the school during the day, although please do not be put off if you do not have these skills. What is more important is enthusiasm, interest and the willingness to learn.

If you are interested or know of somebody else who would be then please complete an application form and return to school.
