

Tudor Grange Samworth Academy

A Church of England School

28 May 2021

Dear Parent/Carer

I would first of all like to share my disappointment that our Year 6s have not been able to have what would be was a normal end of Primary school experience. In usual times we would have exciting trips booked for the pupils to look forward to, but unfortunately due to the current COVID climate this just isn't feasible.

While trips are not possible, we do want to celebrate the end of the Primary with the children as much as we can so therefore we will be holding a disco. This will be at school on **Thursday 1st July** between **4.30 pm and 6.30 pm**. We invite all of the children to go home, get themselves dressed up and come back ready to party! We will be ordering pizza and there will be juice and other snacks. We will send out proper invitations and more information nearer the time.

As this is a reward that we want the children to be able to enjoy, we have made the decision that invitations to the disco will be allocated only to children who have shown they can meet the schools behaviour expectations. Any child who has to be removed from their learning after the date of this letter on more than two occasions will not be admitted.

We hope that all our Year 6 children can take part in the disco and end their time in Primary with a really happy event.

Wishing all our Year 6 the very best for their future and we will miss them.

Yours sincerely

Mrs A Collins
