

Tudor Grange Samworth Academy

A Church of England School

23rd June 2026

Dear Parents and Carers,

Following a full review of the working and learning conditions across the school today, we have taken the decision to implement an early closure tomorrow. This decision has been made in the best interests of pupil safety and wellbeing, and after careful consideration of the temperatures recorded in several teaching areas.

Throughout the day, we monitored conditions across both phases. Some primary classrooms and corridor spaces reached very high temperatures, and despite ventilation and mitigation measures, the environment became increasingly difficult to manage safely and effectively.

Early Closure Arrangements – Wednesday

- Primary pupils will finish at 12:00pm, after having lunch.
- Secondary pupils will finish at 12:30pm, also after lunch.

To support families who may have work commitments, we will supervise small groups of pupils from both phases in air-conditioned classrooms for the remainder of the afternoon. If you require this support, please contact the school office so that we can plan staffing appropriately.

Additional Information

- Pupils should continue to attend in PE kit, which is more suitable for the current weather.
- Please ensure your child brings a refillable water bottle, sun cream and, where possible, a hat.
- We will continue to monitor conditions closely and will update parents should further adjustments be required.

We appreciate that changes to the school day can be challenging for families, and we want to thank you for your understanding and cooperation. Our priority remains the safety and wellbeing of all pupils and staff, and this decision has been made with that firmly in mind.
