

Tudor Grange Samworth Academy

A Church of England School

24th June 2026

Dear Parents and Carers,

Re: School Closure – Thursday 25th June

Following our review of the school site and updated risk assessment this afternoon, I am writing to confirm that the school will remain closed tomorrow.

Despite ongoing monitoring, temperature levels across the building remain high, and significant issues with ventilation persist. These conditions continue to present challenges in maintaining a safe and suitable environment for pupils and staff. Based on this assessment, we are not able to safely reopen the school tomorrow.

The safety and wellbeing of our school community remains our priority, and this decision has been taken in line with our health and safety responsibilities.

We would like to confirm that the **Year 11 Prom will go ahead** as planned, and we look forward to celebrating this important milestone with our students.

As a reminder, the school is also **closed on Friday** due to a pre-planned Trust INSET day.

We are planning for the school to **reopen as normal on Monday** and look forward to welcoming pupils back then.

I appreciate your continued understanding and support during this period of exceptional weather and building constraints.

A further update will be shared if there are any changes to arrangements.

Yours sincerely,

Mr Bannon
Principal
