

Tudor Grange Samworth Academy

A Church of England School

Thursday 9th July 2026

Dear Parents and Carers,

Re: Early School Closure – Thursday 9th July

Dear Parents and Carers,

Following a review of the school site and updated risk assessment this morning, I am writing to inform you that we will be implementing an **early closure today** due to the exceptionally high temperatures forecast and the impact this is having across the school.

Despite the measures we have put in place throughout the week, temperatures within the building remain significantly higher than normal and are expected to continue rising throughout the day. In order to safeguard the wellbeing of pupils and staff during the hottest part of the day, we have taken the decision to close early.

Dismissal arrangements will be as follows:

- **Primary pupils** will be dismissed from **12:00 midday**.
- **Secondary pupils** will be dismissed from **12:30pm**.

All pupils will be provided with **lunch before they leave school**.

We recognise that some families may be unable to make alternative arrangements at short notice. Any pupil who is unable to leave at the designated time will be supervised on site in **air-conditioned classroom spaces** until the end of the normal school day. If your child needs to remain in school, please contact the school office as soon as possible.

The safety and wellbeing of our pupils and staff remains our priority, and this decision has been taken in line with our health and safety responsibilities.

The final day of term is tomorrow and as previously communicated, already includes an **early finish at 12:30pm**. These arrangements will remain unchanged and the school will be **open as normal tomorrow**.

We look forward to welcoming pupils into school for the final day of term before the summer break.

Thank you for your understanding and continued support.

Yours sincerely,

0116 278 0232
