

Dear Parent /Guardian

I am writing to confirm that we have received the report on the third monitoring visit by HMI that took place on the 29th and 30th of November 2016. The report is now available on the Academy website for you to read.

The report identifies the continued progress we are making as an academy to take us out of special measures. I am very pleased to draw your attention to the following comment made by the inspector

“Leaders and managers are taking effective action towards the removal of special measures”

As before there remains much to do but significant progress has been achieved through the hard work and commitment of all those involved with the academy. I would like to express my thanks to the students, staff, governors and you the parents/carers for your continued support along the journey out of special measures. Please do take time to read through the report, for yourself.

Once again thank you for your continued support and positive feedback as we move forward towards making the Academy the successful, high achieving school that your son/daughter deserves.

Yours faithfully
