

Year 7 Geography Learning Journey

Fantastic Places

Spring Term

Lesson Overview	Page number
Global Biomes.	
Deserts: Location, Climate & Biodiversity.	
Tropical Rainforests: Location, Climate & Biodiversity.	
Cold Environments: Location, Climate & Biodiversity.	
Learning Checkpoint - Whole Class Feedback.	
How do humans exploit cold environments?	
Management of exploitation.	
Impacts of Climate Change.	
How do humans survive in harsh environments?	
Learning Checkpoint - Whole Class Feedback.	

Learning Checkpoints:

LC Title	Date completed:
Adaptations of plants and animals in Tropical Rainforests.	
Evaluate the impact that Human's are having on major global biomes.	

Key Vocabulary

Biome – Ecosystem – Abiotic – Biotic – Tropical Rainforest – Desert – Tundra – Arctic – Adaptation – Climate – Climate Graph – Equator – Biodiversity – Exploitation – Management – Climate Change
