Dear Parent / Carer

Home Learning – Pre-School

Our expectations for Home Learning in Pre-School

The early years are critical to developing a lifelong love of reading. Whilst at Pre-school we will support your child to develop this love of reading through whole group and individual stories. To help us in this we would like you to share your child's story book with them at least three times a week. However, reading daily would really help develop their understanding of the story. Please make any comments about their reading at home in the communication book and return the book to school every day with their book bag. On a Friday we will share the book again in school and use questioning about the book to help develop the children's understanding. They will then receive a new book to share with you at home.

If you have any concerns, please do not hesitate to speak to Miss Kendall. She is available at the end of the sessions daily. Alternatively, you can communicate on class dojo or email:

Many thanks for your continued support.
