Primary Attendance

Our whole school attendance from the start of term is 95.3%, this is currently below the National target of 96%.

We need to make the extra effort to increase our attendance.

Attendance is important as the more learning that is missed the more difficult it is to achieve the expected standard. It can be difficult for some children to catch up on the learning they have missed.

We know there are lots of coughs and cold at this time of year but we still encourage our children to attend, even if it is only for part of the day. **With parental consent we are happy to administer paracetamol if required and would always call the parent if your child was poorly or upset in school.**

Primary Attendance is 95.3%

F2: 92.1%

Year 4: 95.8%

Year 1: 92.8%

Year 5: 95.5%

Year 2: 96.9%

Year 6: 96.6%

Year 3: 96.6%
