

Year 10 Timetable

Dear Parent/Carers,

In my previous letter to you on the 12th June, 2020 (available on TGSA website) I informed you that we would be reviewing the provision for your child and would consider growing their timetable. We have been so impressed by the mature and serious manner the students have adopted towards our strict safety protocol (social distancing and personal hygiene) and their education that we have decided to bring this review forwards. We feel that the students have demonstrated that they can cope with an additional lesson and a lunch break. We will of course continue to expect the highest standards of co-operation and work from them.

In order to minimise the risk of contamination from objects brought into school, only the following may be brought in:

- A lunch box or separate plastic bag containing a healthy lunch (no crisps, chocolate, sweets or other unhealthy snacks).
- A water bottle – no fizzy drinks allowed

No other items should be brought onto site. Bags, pencil cases are not allowed to support our strict hygiene regime.

Week Beginning 22nd June 2020
