

Tudor Grange Samworth Academy

A Church of England School

Dear Parent/Carer,

I hope you and your family are well during these unprecedented times. I am so glad that your child will be joining our school next year and we will be doing everything we can to ensure they have a well-supported start to their life in secondary school at Tudor Grange Samworth Academy.

Our college leaders will be contacting your child's primary school either in person or virtually so that your child will get the chance to meet them and ask any questions they may have. For those of you who have elected not to send your children into school Mr. Clay (SENCO/Transition lead) and I will be hosting some online 'Ask-Me-Anything' sessions which will be posted online. Please keep checking the website for these to be uploaded. Our college leaders will still try to contact you and your child if they have not been attending school so that we can answer any questions you may have.

We were hoping to have some onsite transition days to enable your child to meet their tutor and get used to the school campus but, unfortunately, after hearing from the Department for Education, we are unable to offer that this year. Hopefully the video on the transition section of the website will give you a taste of the Tudor Grange Samworth experience!

Our transition team are working hard behind the scenes and working alongside the primary schools to ensure teachers and support staff have a good understanding of your child. If you have any specific concerns regarding transition, please contact the office and your message will be passed to the transition team:

office@samworth.tgacademy.org.uk

Lastly, we have put online a set of summer activities from a range of different subjects. Our teachers are really looking forward to meeting your children and these activities will give them a head start to year 7 as they hit the ground running at Tudor Grange Samworth. We will also deliver paper copies of these packs towards the end of term and there will be prizes to celebrate those who have put in the most effort over the holidays to complete these.

As I am sure you can understand, the situation we find our whole country in changes weekly and we will continue to keep you as informed as possible regarding Year 7. Stay safe and we look forward to see your child next academic year,

Yours sincerely

Mr Alan Wilkinson (Principal)
