

Autumn Term 1 (2020)

Dear Parent/Carer,

Guidance for parents of children who are self-isolating

If your child is self-isolating or shielding due to COVID-19, please see below instructions for working from home. It is an expectation during a period of self-isolating/shielding that your child accesses work every day through **Show My Homework** following their timetable of lessons from the day before, i.e. if your child logs on to show my homework on Tuesday, they need to follow their Monday timetable of lessons. All of their lessons will be accessible online via Show My Homework with teacher support available through the comments system of each homework.

All children have been set up with a Show My Homework account and all have now received their log in details. There is also the option for parents to create an account on Show My Homework so that you can monitor your child's work set and check their engagement; we would encourage parents to make an account in order to support your child working from home where possible. Please find details of how to do this below.

Your child's access to Show My Homework will be monitored daily and fed back to you twice within the working week. You can support your child's education by creating a parent account and checking this daily to support their home learning as detailed above.

Show My Homework Instructions

Students:

www.satchelone.com Username: school log-in Password: school password

If your child is unable to access Show My Homework, please contact the office at office@samworth.tgacademy.org.uk to request log-in details.

Parents:

www.satchelone.com Enter your email address and parent code which will have been sent home with your child. If you cannot find your parent code, please contact the office at office@samworth.tgacademy.org.uk to request your code.

Many thanks for your support in ensuring your child continues to access their education.

Yours sincerely

Mr Alan Wilkinson
Principal
