

Tudor Grange Samworth Academy

A Church of England School

Dear Year 11 Student,

Below is some guidance for you, with information on what you will need to do following results day. Miss Robinson will be on hand on the day to discuss your grades with you and whether you meet entry requirements, connections will also be on site to help. You can also phone Mrs Robinson on her mobile: 07908 216751

Once you receive your results you have a few options available to you:

WQE

They are creating an on line enrolment form, and you will need to upload a photo/ screen shot/ scan of your results as well as a photo of yourself for their ID. If students do not meet entry requirements they will need an appointment with a QE enrolment advisor, and these appointments will take place from Tue 17th Aug.

Leicester College

They will get in touch and invite you in August, once results are checked and the offers have been made. They will look to offer you an alternative offer if your grades do not meet their entry requirements.

South Leicester

Information will be sent out in a letter to anyone who applied, followed by a text, email and a call. An exact plan at this time is unknown with regards to enrolment, as they are waiting to find out if face to face can take place.

Loughborough

All enrolments will be done on line. Students will need to upload a copy of results summary and a photo for ID.

If your college is not on this list, that is because they are yet to inform us of their plan. You will need to call their admissions dept and discuss what their requirements are.

Any questions before results day please email Miss Robinson:
