

4<sup>th</sup> October 2021

Dear Parent / Guardian

**Re: Year 11 – Subject teachers - Progress and information parents' evening**

I am delighted, following a year of restrictions, to invite you to our upcoming parents evening . This evening will be crucial for you as parents to gain information directly from teachers on the progress of your child in this final year at the Academy.

The evening will be held in subject classrooms on **Monday 11<sup>th</sup> October**. The evening will begin at **3.30pm** and finish at **6.30pm**.

Please find attached an appointment slip which your child should take to the members of staff who you would like to see. The member of staff will then write in an appointment time for you to see them. Your child's tutor will support them in this process, please direct any specific question to them in the first instance. Please do keep to your times as we would like to see everyone that has made an appointment. Students are required to wear their uniform.

Every young person needs high-quality career guidance to make informed decisions about their future. Good career guidance is critical if young people are to raise their aspirations and capitalise on the opportunities available to them. Careers advice and revision tips will be available on parents' evening for parents and students to offer any personal guidance on career choices.

We look forward to meeting with you.

Yours sincerely

**Mrs S Roach**  
Executive Principal
