- TERM 1 -

Living the Christian Life

Living a Christian life is a decision on the part of an individual to live as a follower of Jesus. This unit will look at various activities including worship, prayer and pilgrimage, that these followers take part in. Although these activities have strong similarities, there are clearly different emphases and divergent attitudes represented among different Christian denominations.

- TERM 2 -

Crime and Punishment (Islam)

Islam teaches that supporting justice (what is right, and fair based on the law) and opposing injustice are extremely important. Muslims should always act justly, and do what is right, even when it means testifying against themselves or their loved ones. In this unit we will seek to explore why Muslims believe justice is so important.

Matters of Life and Death (Christianity)

What are the origins of the universe? Has it always existed, or did it begin at a particular point in time? These questions have been asked for centuries and starting with the Big Bang theory we will seek to understand theories about the universe.
