School Day

Here are some of the things your child will do in Reception; this information may help you in your conversations with your child about school, both before and after they start.

Every day we will:

- Sit on the carpet to take the register and talk about the day ahead.
Have Child Initiated and Play Partner Learning - writing activities, number games, activities linked to our current topic, playdough, books, dressing up, small world, arts and crafts and construction. Children will always have access to learning opportunities outside every day.
- Share stories.
- Have access to toast, milk and fruit.

Toothbrushing happens daily in class - we supply all resources for this. Please sign your consent form for this to commence.

Little Wandle Letters and Sounds Revised

Our school has chosen *Little Wandle Letters and Sounds Revised* as our systematic, synthetic phonics (SSP) programme to teach early reading and spelling.

The background features abstract geometric shapes in various shades of green and a dark blue-grey. In the top-left corner, there is a yellow circle partially cut off by the edge. The top-right corner contains several overlapping green circles and a large dark blue-grey semi-circle. The bottom of the image is a solid green horizontal band, which includes a dark blue-grey circle on the left and a green semi-circle on the right.
