

Results Day & Post Results Services 2025

9 July 2025

Dear Students and Parents/Carers,

As we approach the summer holidays, we would like to provide you with some important dates and information relating to the GCSE results.

Results:

1. Your exam results will be available for collection in person on Thursday 21st August between 10:30am – 12pm. Please arrive via reception, staff will be available to support you with your next steps and to answer any questions you may have.
A letter, signed by the student, is required if they're unable to collect their results, or the slip at the bottom of this letter can be used.
2. Candidate's results will also be available on My Child at School by 2pm on Thursday 21st August 2025.

Post results services:

Post Results Services (PRS) are provided by the exam boards and are designed to support students who have concerns about their grades or the accuracy of their results.

Grade boundaries for 2025 will be provided in your results envelope and will be on display on results day. If you have any questions at all, please do not hesitate to ask.

Clerical Re-Check

A clerical re-check is a check that all parts of the script have been marked, and that the totaling and recording of marks is correct.

- You must do this **before 12 noon on 18th September 2025**.
- The deadline for completion of a clerical re-check is within 10 calendar days of the exam board receiving the request.
- Depending on the exam board the fee for this is between £10-15 per paper.

It is important to remember that your results can go up or down.

Priority Copy of Script:

If you are considering requesting a review of marking, you can request a priority copy of script to help you make this decision.

- You must do this **before 12 noon on 29th August 2025**.
- The fee for this is £5 per paper.

If you decide to go ahead with a RoM, £5 will be deducted from the cost of the RoM.

Non-Priority Review of Marking (RoM) Priority RoMs are for Level 3 and A level courses only

A review of marking is a check that the agreed mark scheme has been applied correctly and is free from errors. The paper is reviewed, and reasonable marks will not be changed. Reviewers will not re-mark the script.

Please think carefully about which paper you choose to submit, see examples below from AQAs website.

- You must do this **before 12 noon on 18th September 2025**.
- The deadline for completion of a non-priority review of marking is within 20 calendar days from the exam board receiving the request.
- Depending on the exam board the fee for this is between £48-£70 per paper.

It is important to remember that your results can go up or down.

*PEARSON EDEXCEL: When requesting a RoM, most exam boards send a copy of the reviewed script free of charge. However, for Pearson Edexcel subjects, there will be an additional charge for this. Details of which Exam boards we use for each subject will be on your results sheet.

How to Request a Post-Results Service

We recommend that students speak with their subject teacher or a member of SLT before deciding to proceed with any post-results service, to ensure the best course of action is taken.

1. If you wish to request any of these services, please scan the QR code to access the post-results form. You will need to make a separate request for each subject.
2. You will receive an email confirming the cost of your PRS.
DO NOT MAKE PAYMENT UNTIL YOU HAVE RECEIVED THIS CONFORMATION.
3. We kindly ask that all requests be submitted in a timely manner to ensure sufficient time for processing and payment before the stated deadline. Please also keep in mind that you may wish to request a further review of the marking after receiving the outcome, so early submission allows for this consideration as well.

Examples of submitting more than 1 paper for a subject

Example	Outcome of the review	What you will be charged for
You submit Paper 1 and Paper 2 together, at the same time.	Paper 1 has an outcome that does not result in a grade change, but the outcome of Paper 2 does directly result in a grade change.	You will not be charged for either review.
You submit Paper 1. Before the outcome is completed, you submit a review for Paper 2.	Paper 1 has an outcome that does not result in a grade change, but the outcome of Paper 2 does directly result in a grade change.	You will not be charged for either review.
You submit Paper 1. After the outcome is completed, you then submit a review for Paper 2.	Paper 1 has an outcome that does not result in a grade change, but the outcome of Paper 2 does directly result in a grade change.	You will be charged for Paper 1, as that had an outcome with no grade change. You will not be charged for Paper 2, as that had an outcome directly resulting in a grade change.
You're 1 mark under the grade boundary; you submit Paper 1 only and wait for the result before submitting paper 2.	Paper 1 increases by 1 mark and directly results in a grade change.	You will not be charged for paper 1 and no need to submit paper 2.
You are 1 mark under the grade boundary, you submit Paper 1 and Paper 2 together, at the same time.	Paper 1 increases by 1 mark and paper 2 goes down by one mark.	You will be charged for both, and the overall grade won't change.

We understand that the Results Day can be both exciting and nerve-racking. Please know that we are here to support every student, whatever their results.

If you have any questions, please do not hesitate to get in touch: Rgowland@samworth.tgacademy.org.uk
