

Topic List (Y7) – TA2	Sparx Independent learning Code	Completed
Laws of arithmetic	M952, M409, M637,	
Derived facts and maintaining equality	M704	
Fact families	YOUR TEACHER WILL REVISE THIS	
Negative numbers in context and ordering negative numbers	M527	
Calculating with negative numbers including zero pairs	M106 M288	
Priority of operations	M521	
Reading and writing algebraic expressions	M795	
Simplifying algebraic expressions including zero pairs	M795 M792	
Coordinates in all four quadrants	M618 M311 M230	
Perimeter and area of rectilinear shapes	M920 M635 M900 M390	
Squares, square numbers and square roots	M135	
Area of triangles, parallelograms and trapezia	M610 M291 M705 M303	
Place value including reading and ordering decimals	M704 M763 M522	
Place value (including rounding to a given number of decimal places)	M431	
Calculations with decimals.	M152 M262 M803 M429
