

LEARNING JOURNEY

PSHE

Year 11

The majority of the year will be spent on sexual education. We will recap what consent is and what we mean by 'safe sex'. We will then look at teenage pregnancy, the options available if you have an unwanted pregnancy and the different responsibilities involved in parenting. We will then look at reproductive health, (including fertility and IVF treatment). We will explore the different types of contraception and how to put a condom on effectively. We will then look in more detail at pregnancy and what happens with a miscarriage. We will look at different forms of sexual harassment, including upskirting and downblousing. Finally, we will look at the wider world before finishing with revision skills.

TUDOR VALUES:

We will be tolerant and respectful towards each other as we share our opinions and experiences. We will use unity as we have class discussions on divisive topics.

VOCABULARY

- Consent
- Fertility
- Contraception
- Barrier

- Non-barrier
- Miscarriage
- Harassment
- Violence
- Reproduction
