

LEARNING JOURNEY

PSHE

Year 8

This year, we will be starting with exploring the different types of relationships and the different skills we need to maintain healthy relationships. We will also look at unhealthy relationships and what we need to avoid, such as stereotypes, racism, misogyny and bullying. We will then explore the different ways we can keep ourselves safe in the wider world, including the law around offensive weapons, social media, vaping, alcohol and other ways we can keep our bodies healthy. We will then move onto our sexual education topic where we will look at the importance of consent, the impact our choices have, and gynaecological and reproductive health. Finally, we will look at how we can maintain healthy mental wellbeing.

TUDOR VALUES:

We will be tolerant and respectful towards each other as we share our opinions and experiences. We will use unity as we have class discussions on divisive topics.
